### Gives Health, Vigor and Tone

Herbine is a boon for sufferers from anaemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shriel, Middlesborough, Ill. writes, I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. I have wished that I had known of it in my husband's life time." 50c. Sold by Ed Greene.

### News of Zolfo.

After three attempts to write up the news of our burg, and failing each time; have come to the conclusion that it is useless, so will have to try my hand at something easier. In olden times there was lots going on around here. But then, you know, that was in the days of, O well, I don't know now just when it was, but anyway there was a time when you could find something to tell.

If I could reach and get my pencil like "Lonesome Jack," of Torrey, and pull my scattered wits together, I could give my friends some sort of, (What would you call it?) lumbustication, that's it. I knew I would hit the right word after a while, and if that is not the way to express it, I am confident some of the other correspondents will put me right next week.

I have it! I will hump myself down to the Union Station and purchase a cross tie ticket and run up and see old "Jack," if any of the boys can put me "on." I know he is the one.

But I am a little too fast. I say he when I do not know whether it be he, she or it. If it be he I will be alright, and if it be it, it will be my move. Now if it should be "she," well, some of my friends will have to come bring me home, for I declare to goodness and all the "notty headed imps," of DeSoto, turn my head, and when that happens I have spells. Of course you all know what that SPELLS.

Hark! What is that joyful sound I hear? The supper bell, so I will have to stop, as today is the only day in the week we get three meals. After today I will be more like myself, and can find something to write about.

Here's looking at "Jack" and all the other CHAMPION reporters. Three cheers for supper and the tooth picks.

WANDERING WILLIE.

### How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Sold by Ed Greene.

### A Lesson in Health

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold by Ed Greene.

Don't forget we're it when it comes to job printing. When in need of anything in this line give us a call and get some of the "Artistically Neat" kind.

### A Menace to Health.

Kidney trouble is an insidious danger, and many people are victims of a serious malady before the symptoms are recognized. Foley's Kidney Cure corrects irregularities and strengthens and builds up the kidneys, and it should be taken at the first indication of kidney trouble, as it is impossible to have good health if the kidneys are deranged. Sold by Ed Greene.

E. M. Barnett is doing rubber tire buggy work at Tampa or Jacksonville prices. Save freight both ways by patronizing him.

### Starving to Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health Tonic on earth. 50c. Guaranteed by Ed Greene druggist.

### Closing Out Sale of Nursery.

We desire to start a nursery near lake Josephine, where the writer has recently secured a homestead entry.

The writer will have to move his residence to it before next March and endeavor to close out our entire interest here in the nursery business consisting of about forty-five thousand trees now set in nursery form.

We have seedling grape fruit, sweet seedling oranges and of the budded varieties we have grape fruit buds, tangerine Satsuma, Jaffa, Valencia, Ruby blood Harts tardiff, navel, mandarine, Pine Apple and sweet seedling buds and several other varieties in small numbers.

We are not only prepared to give you your money's worth, but bargains. To see our stock is to want it. It is absolutely healthy top and bottom and well rooted.

We are located one half mile south of Lily, Fla. If you are thinking of setting out a grove or enlarging your grove and have not yet made arrangements it will be to your interest to consult

W. R. VARN.

### The Breath of Life.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stephens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O, its grand for throat and lung troubles." Guaranteed by Ed Greene druggist. Price 50c and \$1.00. Trial bottle free.

### Beautiful Women.

Plump cheeks, flushed with the soft glow of health and a pure complexion, make all women beautiful. Take a small dose of Herbine after each meal; it will prevent constipation and help digest what you have eaten. Mrs. Wm. M. Stroud, Midlothian, Tex. writes, May 31, 1901:

## If You Want Cash For your Real Estate or Business I Can Get it

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property certainly could not afford to pay for this advertisement. This (like all my other "ads") is practically sure to place on my list number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads," and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads?"

I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan

### FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
